

## **Wildcats Hosting Military Appreciation Night Nov 6**

The Valley Wildcats have one of their proudest events on the home schedule slated for November 6. It is on this game date the organization will be honoring Canadian Service men and women through their annual Military Appreciation Night, in advance of the November 11 National Remembrance Day.

With the team's home building being located less than 25km from Canadian Forces Base Greenwood, it is with great pride that this event takes place in conjunction with the honored members of 14 Wing. There will be Canadian Forces members both in attendance and taking part in pre-game ceremonies that will commemorate those who have been lost in service and show due respect to those who continue to work for and defend our country daily.

The Wildcats organization released the following regarding this special occasion: "In sports we often hear terms like 'going to battle' with our opponents; however, it is not lost on us that in the real context of our Canadian Military, this is literally what they train for and do for us every day and throughout history. The often life and death sacrifices made by our CF members allow us as citizens to be able to live freely and do things like gather in Berwick for a Jr A hockey game. It is with great pride and honor that we are able to invite members of our Military to join us on November 6 and pay tribute to all that they do."

The game itself features the Wildcats taking on the Pictou County Weeks Crushers in the third matchup between the two teams this season. Valley holds a 2-0 season series record so far against the Crushers, looking to get a third win on home ice in this one. Puck drop on this night is scheduled for 7:30pm. As always, game tickets can be purchased in advance online at [showpass.com/wildcatstickets](http://showpass.com/wildcatstickets) or at the box office on game night.
